NASSAU COUNSELORS'

ASSOCIATION

SPRING COLLEGE EXPO

Dear Colleague,

Each year as *your professional organization*, the NASSAU COUNSELORS' ASSOCIATION provides an outstanding resource to benefit students and parents at our Spring College Expo. This event brings over 300 college, university, and post high school program representatives from around the United States to our backyard.

A most perfect way to begin the college process, the Spring College Expo offers:

- *One-to-one conversations with school and program representatives*
- *Experienced counselors to assist in the search process*
- *Valuable seminars and information tables explaining concepts such as financial aid, the college admissions process, NCAA, students with special needs, and selective college admissions.*

With this letter, you will find a "Save the Date" publication detailing this wonderful event. We ask that you kindly duplicate this informative handout and *display it in your office, on your school website, through your school-wide e-mail system, and disseminate to your students and parents in individual meetings or any other creative way* that you deem effective in your school! **We will also e-mail you the PDF file of our "Save the Date" to allow for easier reproduction!** In addition, be sure to look forward to future mailings including a colorful poster for display, college conference publications and ending with our official program booklets to be sent to your guidance office just prior to the event. (April). Although junior students and their parents are our target audience, please note that this event is open to ALL interested students!

Your assistance in promoting and utilizing this amazing opportunity for students and parents is GREATLY appreciated. Please check our website at www.nassaucounselors.org for the most updated information or call Joy-Anne D'Anca at (516) 433-2900 x156 or Michael Hearne at (516) 463-7151. We will also be introducing the new College Automation System to allow for easier transmission of student data to colleges! Keep watch for the latest updates!

Of course, the Spring College Expo can't run itself! So, if you are interested in supporting your professional organization and volunteering your time and expertise at this event, please do not hesitate to contact Tim Pellett at tpellett@nshahs.org.

We look forward to seeing you on April 23rd! **PLEASE NOTE: We have changed the time of the fair to be 5:30 p.m. to 8:30 p.m.**

Sincerely,

Joy-Anne D'Anca & Michael Hearne
